Dear Peter:

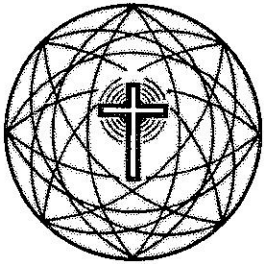

I was delighted to get your good letter, dated August 27, 1973. And I was delighted to look over your application forms (those of yours and your wife) and to see the good testimony that both of you gave in writing. Certainly, Peter, God has blessed you with the ability to state clearly and accurately your convictions and beliefs. Also, He has given your wife a similar talent; I praise the Lord for this phase of this step toward your going into France under the auspices of BCOE and The Continuing Church.

Peter, also, I'm very glad to hear that Rev. Bill Jones of Baltimore Maryland has already responded to our letter and has reached you. I trust that you will be able to get down that way soon to meet Bill Jones and to speak to that church and I trust that they will be willing and able to back you and help you as you prepare to go to France. I understand, from your letter, that the baby is expected, perhaps, as late as February of 1974. But that you feel you need to be in France sometime after Christmas.

Peter, I'm sending for you both a physical examination form. Please find a reputable doctor and both of you have a complete physical and fill out the forms. When the examination is completed and the forms filled out, please return them to my office in Pensacola. The last forms that you sent went to our office in Decatur. Just send them to me and I'll be in touch with the office at Decatur later on.

Also, in the meantime, we'll be working out a time for you and your wife to come to Atlanta, at BCOE's expense, to undergo the Psychological Examination with Dr. Miriam Smith in her clinic. As soon as that has been set up and worked out, we will write you and see if you can come and make that particular date. So, things are progressing and we're just thrilled about it. We really feel blessed to have even a small part in the work in South France at that Reformed Seminary where you will be teaching.

Until we see you again, God's richest blessings upon you and your  
over

Mr. M. Pierré Filhol, Président  
Faculté Libre De  
Théologie Protestante  
Avenue Jules-Ferry  
Aix-En-Provence  
FRANCE

Dear Mr. Filhol:

I received your letter of September 1st just this week and take this opportunity to write to you. We have been glad to hear that there is a testimony to the gospel and true to the Reformed Faith - active in the Great Commission in France. Our times with Mr. Boyer have been refreshing. We hope we can help in some way the work to get started well there. As you mentioned, Dr. Peter Jones of your faculty is planning to come under the auspices of The Continuing Presbyterian Church. There are some things I need to ask you concerning this, after I explain something of ECOE's relationship to the Continuing Presbyterian Church.

ECOE began in January 1970 and has grown to be a useful instrument of the Lord. When The Continuing Presbyterian Church began to formulate in a definite way (our first General Assembly is in December) ECOE was asked to serve as the World Mission arm of The Continuing Presbyterian Church Movement. Recently we have been asked and volunteered to give over ECOE to The Continuing Presbyterian Church in December at their request. The Board of The Presbyterian Evangelistic Fellowship, that is the parent body of ECOE, has agreed to do this. So, in December ECOE will be taken in by the Committee on Mission to the World and cease to exist as ECOE by name. Many of the personnel on the Commission on ECOE will be then on Committee on Mission to the World. At that time, as Executive Director of the Presbyterian Evangelistic Fellowship I will give over my leadership to a Coordinator of their choosing. I say this in order that you will not have difficulty understanding the transfer as it takes place in correspondence.

Dr. Jones has been in the office today and we have been trying to work out arrangements with him concerning the work there. There are certain things we need to know.

- 1) I understand that the salary of Dr. Jones should come through the Seminary there so that he will be actually paid by the Seminary and ECOE would send the Seminary the amount of his salary monthly. Is this correct?
- 2) If this is correct, how much would his salary be per year in dollars?
- 3) What other benefits would you all give him and how much would this amount to in dollars? By this I mean, housing, insurance, medical and life, retirement, and any other expense that you would have in having Dr. Jones on your faculty.

Mr. M. Pierre Filhol

Page 2

September 14, 1973

If you would, outline this clearly for me. We in turn, if our arrangement is culminated, would send you monthly the amount that he would cost you. If there are certain benefits that the government would give him free of charge, let us know of this also.

Also, we need to know what would be necessary for him to come. We have heard of such things as work permit, what is this and who is responsible and who will get it? What kind of visa would be required and who would be responsible to inquire into getting it? Are there other arrangements that we need to be aware of? If you would give us an entire picture in order that we can know what your plans are so we can fit into them.

It is our intention, if all matters develop rightly, that we would call Dr. Jones to begin with us November 1, 1973 and if all matters go well for him to come there at the end of the year. There are certain guide lines that yet must be fulfilled, however, before these things can take place. All things are going favorable.

May God bless you in your witness to the Lord and Saviour Jesus Christ. It is my prayer that He will develop a seminary there faithful to the scripture, faithful to the Reformed Faith as a systemization of the scripture's teaching and very active in the Great Commission.

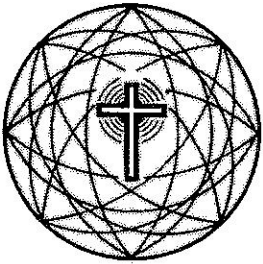

Keep the witness FLAMING in France.

In Him,

Ben Wilkinson

Dear Peter:

Enclosed you will find a copy of a letter we received from Pierre Filhol, at the Seminary in Aix-en-Provence. We are sending these figures to you in a form that will facilitate comparison you need to make between the total support of which they speak and the support figure which ECOE uses for its missionaries. These are set forth in two columns as follows:

<u>Seminary</u>	<u>ECOE</u>
1620 f = \$360	\$6000 salary
700 f = 156	1000 family allowance
1100 f = <u>244</u>	600 car allowance
	1700 house allowance
3420 f = \$760 per month	450 insurance
3420 f x 12 = 41,040 f per year	<u>450 annuity</u>
\$760 x 12 = \$9120 per year	\$10,200 per year

But in addition the government in France provides some family allowance and some retirement benefits.

We are corresponding with Mr. Filhol regarding just what the family allowance and retirement help the French government will provide. We also are instructing him that while you are in the U.S. we will be paying you directly. We will need from you and Rebecca an indication of how this compares in your understanding and some date at which you anticipate we should begin paying directly to the seminary than to you.

You might note also in his letter the necessity of your contacting the French Consulate in New York regarding the need for visas for you and Rebecca. We should also mention, Peter, that our guideline in sending out missionaries is that they need to have promised or in hand 75% of their support before they leave for the field. As you make your tentative plans for departure, we trust that you will be much in prayer with us for the provision of these supporting funds. In the next couple days we will be writing another letter regarding

*"You shall be witness unto me - unto the uttermost part of the earth"*

*Acts 1:8c*

itineration in the month of October and November. One date we might make definite at this point is that the missionary conference in Montgomery, Alabama, at the First Presbyterian Church, will be the weekend of November 3 and 4; they will need if at all possible to have you arrive in Montgomery on the afternoon of November 2nd, in order to begin a full 2-day schedule for their conference. In preparation for this and other conferences and contacts, please send us by return mail a photograph and biographical sketch which we may use for publicity and in turn make available to the churches.

We have indeed enjoyed the privilege of knowing you in Christ and trust that the weeks ahead will give other further opportunity for fellowship and strengthen the concern to pray for one another in the days of your service in France. Please feel free to write any questions or suggestions you may have in our developing work together.

Our greetings in Christ to the Clowneys.

Dear Fellow Laborers in Christ:

The Rev. Jimmy Lyons is now working with ECOE in the area of promotion of World Missions. One of his initial responsibilities and projects is that of preparing a slide presentation of the overall work of ECOE in time for the General Assembly of the Continuing Church December 4th.

In order to prepare a complete presentation, Mr. Lyons is requesting that each of you send to the office here several slides, that may be used in a slide projector. In general, he would like to have slides of each missionary or missionary family, stressing pictures of the head and face rather than full length pictures. Allow us also in this group letter to make a few personal requests: from Grady and Leta we need any initial slides you could provide of the work, location, and people among whom you are working; from Ellen Barnett we could use copies of the slides you have from Mexico and perhaps one or two slides of yourself--if we could borrow your set of slides we will have a set made; from Mr. Manousarides, we need several slides of you and your family and of the church and congregation; from the Jones we would like a copy of the slides you used in your presentation in this area--we will be glad to have copies made if we may borrow yours; from the Lajaras we need several slides of the family and of Woody; from the Lynches several slides of yourselves and the family would be sufficient, as we can add slides already on hand from Mexico; from the Mooneys we could use some slides of your family and perhaps some that you have of the seminary work you were doing in Japan.

If these could be rushed to us as soon as possible, we would very much appreciate it. If it seems impossible to have the slides made quickly, please send us appropriate pictures which we will try to have made into slides. We look forward to the opportunity of this presentation of your work in the Lord and trust that your daily labors for Him will continue to be encouraging and effective.

Cordially in Christ,

Dear Henry:

Your letter and the two checks in the amount of \$500.00 and \$50.00 for the support of Dr. Jones have been received with much appreciation to the Lord. In addition to the receipt, the World Council of Missions Advisory Council will include on the supporting letter for the amount of \$500.00 a copy of the same content in addition to the receipt to W.M. and acknowledge them for the work of Dr. Jones, as this enables us to have those entries on our books.

We have written to Dr. Jones requesting a photograph and biographical information, and on that same subject line, we will make them available also for you. It appears that by the time you receive this letter, however, it will be too late for you to send the material for your directory. At least we can very much appreciate you made up with their pictures and send a copy of the biographical information.

Please convey to your World Missions Advisory Council, your Session, and your congregation our appreciation for your support. They should be encouraged to see the increasing opportunities for support of the Gospel in its overseas outreach which the Lord is bringing to ECOC and the Continuing Church in these days. Should the Lord tarry, we have great expectations and rejoice to labor with you in obedience to the great commission.

Dear Mrs. Parker:

We will be glad to inform you in the near future that the four missionaries  
sent by your church to the field: Mr. and Mrs. Frank Simpson  
(Tenn.), after much preparation and waiting finally received their  
visa and have arrived here on October 20th. As we rejoice  
in their coming into the work to which the Lord has called them,  
we also are glad to hear that your church and all your members  
are well and happy.

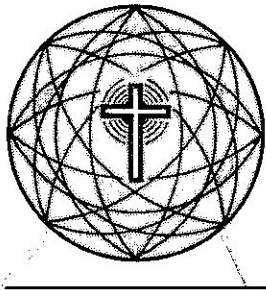

Thank you for the effective service of these members of the church in  
other lands in the faithful prayer and financial support of the  
work of our Lord's Holy Spirit here at home. Your support is deeply  
appreciated and the sustenance of the work of the Lord's Holy Spirit here  
at home is a great blessing. We are glad to hear that you have  
been so successful in your work for the Lord Jesus Christ and we are  
thanksgiving. What a privilege indeed that you and we may labor together  
by the Lord's grace, having a real and important part in the fulfillment  
of the great commission.

Dr. Peter R. Jones  
520 Grant Avenue  
Willow Grove, Pa. 19090

Dear Peter:

Your letters of October 10 and 12 are very helpful to us and we will try to reply in light of the conversation that we had on the phone this week in Atlanta. There is no problem with us in paying you directly, and we are sending a copy of this letter to Pierre Filhol so that he will know of our arrangements for your salary. In a letter accompanying this one to you, we will be quoting a salary figure for the French Consulate. For those purposes we will give a total figure which will include the \$3000 estimate you give for an apartment. Our actual policy is that we pay whatever the cost of housing on the field, though we do encourage a modest apartment rather than an extravagant one.

You asked about the least expensive way to ship your things to France. Enclosed with this letter you will find a copy of a brochure from Missionary Expeditors. They appear to be located only in New Orleans, and we do not know if they serve the port of Philadelphia or how the cost of having your goods trucked to New Orleans and then shipped would compare with having them shipped directly by another company from Philadelphia. We will drop a short note to them in New Orleans and ask about any advice or help they have to offer regarding shipment from your location. Perhaps some of the information regarding insurance and packing might be of help in your planning.

A phone call from Florida today, from the Rev. Dan Sulc in Fort Lauderdale, who will be handling your itineration, reminds us to ask you to make your flight reservation into Fort Lauderdale, not Miami. Please send him a schedule of your flight there. He also indicated a very difficult time in lining up churches for you to visit, even after making a presentation about your coming at a meeting of their Presbytery. Perhaps they are thinking too traditionally in terms of advanced notice and special planned meetings, or perhaps the fact that their budget for 1974 may already be planned or their benevolences already allocated enters into their consideration. Whether or not a word from Dr. Clowney to the Granada church or the Coral Ridge church would be of help, we do not know. Dan Sulc did comment that he was hesitant to contact Coral Ridge because there appears to be a decided avoidance of the Continuing Presbyterian Church on their part.

*"You shall be witness unto me - unto the uttermost part of the earth"*

*Acts 1:8c*

Thank you for the picture and biographical sketch; we will be preparing these to get them to the printers immediately after the meeting with the Committee for your final approval. We appreciate your willingness to go week after week in itineration and urge you to be much in prayer with us that the Lord will bring the needed support in good time. Do feel free to bring up further questions with us and to make suggestions.

Dear Dr. Jones:

I have been following, with great interest, your itineration and the plans that are being made in that respect. Of course, as Chairman of ECOM and Candidate Secretary, I receive carbon copies of all the correspondence that comes into the office at Decatur, Georgia. Peter, it really thrills my heart to see how God is picking up your ministry so rapidly and the way in which He has blessed you with many openings and I'm certain that He is going to raise the money for you and your wife to make this beautiful missionary trip for His service to France.

In the meantime, Peter, as my part of it is involved, we have not yet received the two physical forms filled out by your doctor. I assume that the forms did reach you. We sent them sometime back. Please have them filled out as soon as possible and mail them to my office here in Pensacola, Florida. This will help us to get you to the field that much sooner. I was glad to receive the report on your psychological exam. and see that you passed it with flying colors. However, if you did not receive the physical forms in the mail (we know that many times the mail gets fouled up) please write me right away so that we might send you another physical form. In case you have misplaced them, they are yellow forms and need to be filled out, partly by you and partly by your doctor.

We'll look forward to hearing from you at your earliest convenience and in the meantime, we pray for your continued blessing and good health as you and your wife itinerate.

Dear Peter:

It was a joy to see you, Rebecca and Eowyn Saturday. Even though it was a very rushed time, the meeting with the committee and our time together afterwards were valuable. We trust you got into Ft. Lauderdale without difficulty and had a good Sunday.

Enclosed you will find a check for \$100.00. It is for travel expenses, and we hope it reaches you before leaving Lauderdale. Please give us an accounting when it has been used; and if you need more for travel, please let us know.

Bill Jones, in Baltimore, is agreeable to having you join the Inverness church and says he will arrange for your reception into membership and commissioning as missionaries on the same Sunday, December 2. It would be good to write him at the following address: Rev. William Jones, 49 Inverness Avenue, Baltimore, MD 21222.

The committee did approve you with joy. We shall be forwarding contracts to be signed in a few days. In addition to the commissioning at Inverness on Dec. 2, there will be a dedication service at the G. A. in Birmingham. At this point, your schedule is confirmed as: Nov. 2-5, Montgomery 1st; Nov. 5-11, E. Alabama; Nov. 12-14, Birmingham, Al, with Rev. Ken Wilson; Nov. 15-18, N. Alabama, with Rev. Ron Siegenthaler, Tusculumbia, Al; Nov. 19-25, Chattanooga, TN, with Rev. Charles Turner; Nov. 26-Dec. 1, break; Dec. 2, Inverness, Baltimore; Dec. 4-7, G. A.

A couple other thoughts come to mind: please use your ECOE salary schedule in sharing with churches, as the French scale omits such items as social services and does not convey the total need support wise (use our total estimate of \$14,000.00 for salary and work budget). Also, re furniture, of course we do not supply this as

*"You shall be witness unto me - unto the uttermost part of the earth"*

Acts 1:8c

it is a normal living expense covered by salary. Since, however, you will not be shipping much furniture, which we would cover, we will provide the cost of shipping the small amount and an additional \$600.00 for furniture to be purchased in France. One other matter we mentioned was the possibility of occasional trips to the U.S. from France, for library building purposes. We believe such trips would have to be the responsibility of the seminary itself, as for the primary evangelistic thrust to which we send you and the terms of call for all missionaries do not require or provide for such.

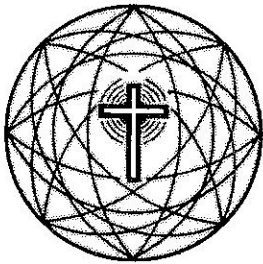

We are getting your picture and information to the printer for prayer cards to be made. As soon as we have them, we shall send a quantity to you. Do pray for us and know that we uphold you before the Lord in your itineration and the work to which you are going.

Dear Peter:

Another brief note to give you the addresses of the persons you should contact in the remaining time of your itineration. When you leave the East Alabama area on November 12, you will going directly to Birmingham and it would be good for you to contact ahead by letter or by phone, the Reverand Kenneth Wilson, Assistant Minister at the Briarwood Presbyterian Church. His address is 3001 U.S. Highway 280, South, Birmingham, Alabama 35243, and his church phone number is 9671760. It would be good also to get a quick note off to the Rev. Ronald Siegenthaler, 401 E. 5th Street, Tuscumbia, Alabama, 35674. He is arranging your schedule in North Alabama, November 15 through 18th. You should ask him if you should come directly to Tuscumbia on the 15th or if he has another place for you to stop along the way. For your time in Chattanooga, November 19-25, you should write to the Rev. Charles E. Turner, 304 Guild Drive, Chattanooga, Tennessee 37420.

We are sending materials to each of these area representatives and trust that you will be able to see to it that these are used wisely in the churches you visit.

Our regards to Rebecca and Eowyn and to the Christian friends with whom you are visiting.

Dear Peter:

It sounds as though you are having a good time in your itineration, and the Lord is encouraging some response. We are aware that there will be some blank spots and we would like to mention a couple of these to you. When you leave Ken Wilson on Thursday morning, November 15th, your schedule in the North Alabama area so far is as follows: Thursday, Nov. 15, an evening service at the Ebenezer Presbyterian Church, Hobbs Island, which is in the Huntsville, Alabama area. If you can get there by public transportation on the afternoon you should call the Rev. Frank Morse. His number is 883-7298. At this point, the next thing scheduled for you is on Sunday, November 18. You are to be at First Presbyterian Church in Gadsden for the Sunday School hour, about 9:30 a.m. The pastor there is the Rev. Jim Bland. Then for the 11:00 a.m. hour you will be in neighboring Rainbow City, with the Rev. Roy Taylor. The evening service will be in Tuscumbia, with Rev. Ronald Siegenthaler, who is handling your itineration in that North Alabama area.

Several items need to be mentioned about this schedule. We are writing to the Rev. Frank Morse about the possibility of his lining up some other contacts for you in the Huntsville area, either on a Friday and Saturday, November 16 and 17th or on Monday through Wednesday, November 19 through 21. When you arrive at his church on Thursday the 15th he should be able to tell you which of these ~~times~~ <sup>days</sup> lined up. The other few days that he does not line up you will be free to go down to Guntersville, Alabama and spend those days in the home of Mr. and Mrs. JOhnnie Lynch. We are aware that this makes a change in your schedule, as you will not arrive in Chattanooga until Friday November 23. Please plan also to remain in Chattanooga through Monday 26th, and then head for home on the 27th rather than on Monday. Regarding transportation, at this point, it does get difficult in these short distances. Please <sup>take</sup> the initiative to inquire of your host in each spot what the best means available are for getting to the next location. If they can provide someone to drive you that will be good; or if they can get you on a plane or a bus for these short hops that will be acceptable. We appreciate your patience in these uncertain days of itineration, and we trust that you and Becky and Eowyn will be able to get some rest. Please let us know immediately should transportation

Enclosed you will find 3 copies of the formal call of ECOE to you and Rebecca as evangelistic missionaries. Let me point out that in the family allowance the figure of \$1,000 will become effective upon the birth of your second child. The salary until that time will be based upon a family allowance of \$500, for the one child. Please sign all three copies, retain the original for your own files and return the two copies to us for our files.

We rejoice that the Lord has called us to labor together and we continue to pray with you for the provision of complete support and for all the details of preparation for your trip to France. By the time you read this, you will have had a very tiring time of itineration, and we very much appreciate the good spirit in which both you and Rebecca and Eowyn have gone through it. We trust the General Assembly itself will be a tremendous experience for you and that you will come away with the awareness that this new denomination does stand behind you in your labors for Christ.

Thank you for your letter of November 6, in which you enclosed your church's check in the amount of \$300.00--\$500.00 for the expense of Peter Jones' travel to the field and \$300.00 for three months support at \$100.00 per month. How it encourages us to see the increased support the Lord is providing for those whom He has called to serve Him overseas.

Allow us to express in this same letter our appreciation to you personally for your very rapid assistance yesterday in the matter of assuring the necessary funds and method of handling them as we set up the new office. Dear friends:

We recently received your contribution of \$67.35 for the work of  
Dr Peter Jones in France. During this period of transition, as ECOM  
mells into the Mission to the World, your continued prayers and support are  
especially needed. We are grateful.

We talk much of the open frontiers that are open, but this is not super super-  
lative talk. We are daily barraged with requests of assistance and needs.  
Most of these are legitimate and urgent. I wish that you could feel the agony  
of the first soul impact as men and women write us of the needs in their coun-  
tries. Greece, Spain, France, Pakistan, China, Kenya, Liberia, Ethiopia, Mexico,  
Guatemala, Colombia, Brazil, Ceylon, India, Korea, Taiwan, Japan--these are in  
contact with us now, with needs greater than the resources coming to ECOM. In  
turn missionary candidates, whose support is not totally taken, are coming the  
South telling of their call and vision for World Evangelization. Pray for  
these and sacrificially support them if you will.

Today Arnie Hayes and David White are in Mexico with the Dick Pyles, preaching-  
teaching, surveying the field for future work and relationships, sensing the  
heart need of our friends South of the Border. Worlds of villages so close to us  
where the Gospel message has never been heard. Pray for them.

Let's get the witness flaming in unevangelized areas all over the world!

Dear Mr. Filhol:

Your letter in response to our inquiry regarding the proper way to support the Peter R. Jones family in their ministry there at the seminary in France is very much appreciated. It would seem to us to be advisable, after our earlier conversations with Dr. Jones, that we might pay him directly without it passing through the faculty. Our contract with Dr. Jones would include adequate insurance coverage and would also include provision for his housing, at the rate for which you have already signed a lease.

We will be so indicating to Dr. Jones that we will pay him directly and you can in conversation with him let us know about any particulars of this arrangement that need to be cleared with you. Our contract will also include annuity as a retirement pension, and it can be paid into the fund to be developed by our new denomination or into the retirement system of his choice.

We are very appreciative of your cooperation and very excited about the possibilities the Lord is opening up to you there at the seminary in Aix-en-Provence. The Jones have been very busy in the last two months itinerating among our churches and raising support to come in through our office, encouraging a great many people to consider World Missions. In fact, he and Gene Boyer together have kindled quite an interest among our seminary students in the work in France. We trust the Lord to continue to give grace in the Jones' move to France and their beginning to prepare for the opening of classes next fall.

Dear friends,

We have just received your contribution of \$100.00 (designated as \$50 for Dr Johnnie Lynch, \$25 for Miss Ellen Barnett, and \$25 for Dr Peter Jones) for the work of world evangelization through IMB's Mission to the World. It is of great encouragement to us to see the Lord's continued moving in the hearts of His people to kindle and to deepen their love for Him and their desire to share the Gospel.

Your contribution has come at a very important time as we are preparing to have Missions to the World of the National Presbyterian Church in January 1974. In anticipation of this endeavor, outreach, we are already receiving a great number of opportunities and requests for assistance in the form of money, labor, even as some of our ministries are carefully considered and find great need for increased support to send our missionaries to the fields in the world's need. It is in our hearts of great excitement and wonderful possibilities as our gracious Lord opens many doors and calls upon us to enter those doors in faith. We hve just moved into our new office this week, and the Lord is enabling us to get organized enough to catch up with some of the correspondence. Also moving this week, Ellen Barnett is on her way to Costa Rica for language study and the Dick Dyes are on their way to Costa Rica for advanced language study, that both families may return to Mexico prepared in Spanish. We urge you to pray for them during this time of intensive language study. Your congregation will also be pleased to know that Dr. and Mrs. Peter Jones have left for France where they will be giving much attention to language study in preparation for the opening of seminary classes this year. We have just received a new prayer letter from the Joe Yorks and will shortly be mailing this out to your congregation and to all those on the York mailing list.

It hardly seems possible that I am just now answering a letter of November 20. By the time it arrived I was in Mexico for two and a half weeks and between returning from that trip and a brief Christmas to North Carolina, we have been planning and now this week making the move to a new office.

We rejoice in the decision of your session to support Dr. and Mrs. Peter Jones to the amount of \$600.00 per year. The Jones have left now for France and we should be hearing any day about their getting settled in their new situation there. Their intention is to concentrate very much on language study, though they both have had a good bit of French, and for Peter to be a more specific preparation for the opening of seminary classes. Do convey to your congregation and session our appreciation for this encouragement in World Missions.

I trust you had a good meeting with the Committee on Mission to the World at the General Assembly and am sorry that I could not be there with you all. We look forward to seeing you, the Lord willing, at the next meeting on January 18 and 19.

We rejoice to receive the good letter of January 3, 1974, in which you indicate the decision of your World Mission Committee to support the following National Presbyterian Church missionaries in 1974:

Grady Simpson, Peter Jones, Johnnie Lynch

each in the amount of \$200.00 per month; in addition, one-time gifts to travel and equipment needs :

Grady Simpson, \$1,000; Peter Jones, \$500; Johnnie Lynch, \$200

We are also taking note of the fact the one-time gift to the Simpsons will be part of the Challenge-Matching Funds.

Although I was personally not at the first General Assembly, allow me to extend my appreciation for the great amount of detailed and loving effort that you folks at Briarwood put into that Assembly. We appreciate also your congregation and your pastor's strong interest in evangelism at home and to the ends of the earth.

Please convey to your Mission Committee, your Session and congregation our thanksgiving for their faithful in the Lord in the indicated support. They would be interested in knowing that Grady Simpson has recently been sick with amoeba and with boils on his back, that prayer is particularly needed for Grady and Leta to overcome physical problems in order to labor among the people who have so long waited and welcomed them. The Peter Jones family should now be in France, and we expect to hear any day of their settling into new quarters and soon of the arrival of a new child. The Johnnie Lynches are now in Acapulco, Mexico, filling in for the Dyes while the Dyes are away in language study.

Dear Mickey:

Thank you for your letter of January 8th, confirming the commitment of your congregation unto the Lord to pray for and to support financially in the amount of \$500 each the two missionary families, the Peter Jones and the Grady Simpsons. We will be sure that your churches name is added to the mailing list of these two missionaries, and we know they will rejoice in the news of your support.

A letter this week from the Jones family assigns Peter in France and Rebecca with Peter's parents in England for a few weeks until the baby comes. Peter will be rejoining them by the time the baby is due and preparing shortly afterward to move the family to their location in France. We are delighted to hear that he is already increasing his ability in French and is sharing in active evangelism. Your congregation will also be pleased to hear that the Grady Simpsons appear to be better, having had some bouts with sickness since they have been in Liberia. They report a wonderful conference with national pastors gathering in their area in December. By the way, they might pray particularly for provision for the Simpsons' house. It will cost about \$5000, and a challenge fund has been established promising to supply \$5000 if the amount of \$8,920 is raised by March 1st--this odd figure of \$8,920 is from another project that was combined with the Simpsons' need of a house.

We very much appreciate your sincere and effective help with Ellen Barnett and are grateful for your continuing interest in World Evangelization. We trust your congregation will also be enabled of the Lord to have a vital outreach of the Gospel there in Alexandria.

Baltimore, Maryland 21222

Dear Mrs. Adams:

Please express our appreciation to the Young People in the Junior Department of the Inverness Presbyterian Church for their contribution of \$20.00 to be used by Mr. Peter Jones in France.

We rejoice to see these young people encouraged by their leaders and by the Lord working in their hearts in the direction of our exciting World Missions.

We are sure that Mr. Jones will appreciate this sustained evidence of the warm support in the U.S. He and Rebecca have found in Inverness Presbyterian Church. You would be interested in knowing that recent letters from Peter and Rebecca indicate that the study of French is going well, that he is having opportunity to share the Gospel, and that Rebecca is doing well as time for the birth of their new baby arrives.

Thank you again for this indication that you are remembering the Jones, as we trust it shows their prayer for them as well as the financial contribution.

Cordially in Christ,

David C. White

Dear Bill:

It was a very rich privilege and most enjoyable to be with you and the Women of the Church at Trinity there in Montgomery. I very much enjoyed the fellowship and am most encouraged to see the interest in World Missions of your ladies, your congregation, and yourself.

This is to acknowledge also the receipt of the first \$2000.00 contribution and the indication that it should be distributed as follows:

Miss Ellen Barnett, Mexico	\$300.00 per month
Rev. and Mrs. Cecilio N. Lajara	300.00 per month
Mr. and Mrs. Johnnie Lynch	300.00 per month
Dr. and Mrs. Peter R. Jones	300.00 per month
Rev. and Mrs. Grady Simpson	300.00 per month
Rev. and Mrs. Joe York	300.00 per month
Gen. Administrative expense	<u>200.00 per month</u>
Total - -	\$2000.00 per month

Each of these missionaries will be most encouraged and will take this as an indication also of faithful prayer support by your congregation.

Please let us know if we can be of further help in any way in the area of World Missions in your congregation.

Dear Mr. Davis:

Your contribution for World Missions through the ministry of Mr. and Mrs. Peter S. Jones in 1973 in the amount of \$1200.00 has been received with much appreciation. We assure the Jones as well as we are very encouraged by this indication of your concern in the Lord, and to encourage faithful prayer for their ministry.

At this time Peter is working on his thesis and preparation for classes, also doing some evangelistic work. He is planning to join Peter very soon. He is presently with the hospital and will be in the next few days. You might encourage your own child to pray especially for the delivery of the child and their health.

Very truly yours,

Dear Don:

The Faith Promise Funds from your congregation in the amount of \$1050.00 for the month of January have been received and distributed as indicated:

Dr. Peter Jones	\$300.00
Mr. John Lynch	250.00
Rev. Cecilio Lajara	250.00
Miss Ellen Barnett	125.00
Mrs. Grace Brown	125.00

Please convey to your Mission Committee and congregation our deep appreciation for their prayer support and their financial support also.

The report Woody Lajara brought back from Mexico is most encouraging, and he will be able to meet with us on Friday afternoon of our Committee meeting, February 15. I am glad that you have made contact with Woody about being at your church and trust that it will be encouraging time there.

Recent news from the Jones indicate that the time of the arrival of the new child is only a couple of weeks away, and we know your people will want to pray for the safe arrival of this precious one.

The Lynches continue to speak of the Lord's grace in their labors, Ellen Barnett says she is buckling down to language study with the Lord's enabling being very real, and Mrs. Grace Brown is preparing to move to Columbia to take up studies at Columbia Bible College. We are sure that each of these will be much encouraged as we are here in the office by your faithful support in the Lord.

Dear Dan:

We rejoice indeed in your letter of January 31, in which you inform us of the decision of your Session to support in prayer and financially the following causes of Mission to the World of the National Presbyterian Church:

Administration	\$1200.00
Richard Dye	1200.00
Joe York	1200.00
Peter Jones	1200.00

The over and above contribution in the amount of \$800.55, from your recent Missionary Conference, is also of particular help at this time and we do trust you will express our special appreciation to your congregation.

Please allow a couple of questions regarding the designations. We had early indication of support for the Peter Jones in the amount of \$600.00, and we trust we are correct in assuming that this is raising that promise up to \$1200.00. Also regarding the designated check that came with your letter, we are not clear how the amounts were figured. In order to make the monthly amount for each of the 4 causes to total 1/12 of the annual amount promised, we have taken enough from the undesignated check to bring each of the 4 persons or causes up to \$100.00 each. We may have overlooked some early contribution that would apply to these persons and would appreciate a word of explanation from your treasurer that we will be sure the contributions we have received from your people are clearly marked here in our books.

As new days of opportunity are before us in the National Presbyterian Church, we find also the spiritual opposition which we ought to expect, and we particularly urge your people to pray for our missionaries in Mexico as they are experiencing opposition in the form of problems with relationships to the government at this time.

I look forward to seeing you, the Lord willing, at our meeting in just a couple of weeks.

Dear Jim:

Thank you for the information provided by Mrs. Laney regarding the contribution of \$7000 your church sent in for Mission to the World on December 26. We had received a large check from Paul Settle, but it was not broken down as to the sources of the money. We assumed therefore that your \$7000 was a part of it and we are designated \$7000 of that amount as a contribution from First Church in Macon and, following your suggestions to me, it is being distributed as follows:

Hugh Linton	\$1500
Dwight Linton	1500
Ellen Barnett	400
Grace Berry Brown	400
Richard Dye	400
Peter Jones ✓	400 ✓
Woody Lajara	400
Johnnie Lynch	400
Grady Simpson	400
Joe York	400
Taiwan Home Challenge Fd.	400
Administration	400

This is of great encouragement to us at this time, and we trust you will express to your Session and Missions Committee and congregation how much our missionaries and Committee as well as those in the office appreciate this indication of your faithful prayer and concern for the sharing of the Gospel in the lands to which the Lord has called these servants to minister these days. The continued prayer of your people for the enlarging of the work and the Lord's wisdom regarding the areas in which work should be expanded is very much encouraged.

Dear Mrs. Weippert:

As we move on into our first year as Mission to the World in the National Presbyterian Church, we continue to stand in awe and thanksgiving before our gracious Lord. Exciting possibilities and responsibilities are before us, and the Lord is continuing to encourage us with the provision of abundant support. In His name and on behalf of those who serve Him overseas, we express our appreciation for your contribution of \$51.00 and we have designated it at your request for the ministry of Dr. and Mrs. Peter Jones.

You will be most encouraged to know of the reports of a number of persons coming to faith in the Lord Jesus Christ and our missionaries finding great encouragement as the Lord enables them to meet new problems successfully. As you pray for our missionaries and for the Committee and staff here at home, we would remind you also of the need to pray for the increasing number of applicants who are convinced the Lord is calling them to serve overseas. It surely appears that the Lord is going to expand our vision and our service greatly in the months and the years immediately ahead. We are so glad that you are a part of this family of supporters and pray the Lord will continue to encourage and bless you in your local situation.

How very encouraging it is to see the Lord take us over the top of the minimum amount needed to meet the challenge fund in January and February. We are very grateful for the part your congregation has played in this and for the added strong support for Mission to the World and the National Presbyterian Church we have been receiving from you. Our bookkeeper has acknowledged the contribution of \$1000 for the challenge fund, \$200 support for Simpsons, \$200 support for Jones, \$200 support for Lynches and special gifts of \$500 for Jones and \$200 for Lynches. I wanted, however, to add my appreciation to that which she has already expressed.

The Committee on Mission to the World has recently approved another candidate, who is experienced in Christian camping on the Mission field, and there are several new applicants before us at the present time. It is a joy to see increased opportunities being met by increased numbers of those called of the Lord and by the active support of His people in the NPC. We continually rejoice at the fine example of leadership you and your congregation are giving in this direction.

I am sure the Jones will be much encouraged by this added indication of financial and prayer support.

Enclosed you will find a copy of a newsletter from the Jones which was sent out last quarter. We will be sure that your church is on the mailing list to receive letters from the Jones periodically. We are most encouraged by news that Peter is actively involving himself in evangelism, is doing unusually well in his intensified French study, and is encouraged about developments at the Seminary as they prepare for classes to open there this fall. He and Rebecca are settled in now into their new apartment with two children and undoubtedly very busy schedule. We do encourage you to pray for Rebecca and the children as well as for Peter in their responsibilities.

Cordially in Christ,

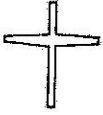

David C. White

Dear Barbara:

Greetings. We are very appreciative of your faithful service there in the office of the Committee on Administration. I am sure Dan is keeping you quite busy in these days prior to the General Assembly.

*(→ \$36.00 enclosed with her letter)*

Thank you very much for your support for the Peter Jones' and their ministry in France. You asked about some information on the work they are doing at the Seminary there. Enclosed you will find two brochures about the Seminary itself, one is an older brochure prepared by Dr. Edmund P. Clowney, President of Westminster Seminary and father of Peter's wife, Rebecca. Since it is an older pamphlet, you can disregard the address given there for supporting the Seminary. The pamphlet is a newer one prepared in France, with a translation done by Peter Jones. I believe these brochures will give the basic information about the Seminary and the teaching of New Testament in which Peter Jones will be engaged. We are delighted also with Peter's strong concern to lead the faculty and students in evangelism as well as in classroom study. He has some exciting projects already before the Committee, such as an evangelistic mission to Morocco in the Spring of 1975 and a teaching and evangelistic mission to Zaire in the Summer of 1975 if these can be worked out. We will be sure your name is on the mailing list for newsletters for the Jones and trust that if there is additional information that we can provide you will feel free to ask.

October 10, 1974

FOR ALL MISSION TO THE WORLD MISSIONARIES:

Dear Co-laborers:

Dr. Donald Patterson and I have recently returned from a trip to Mexico where we were able to spend time with the Dick Dyes, Woody Lajaras, Johnny Lynches and Peter Anderson. We also had a profitable visit with leaders of the National Presbyterian Church of Mexico.

The Committee will be meeting here in Atlanta on October 18-19. At the General Assembly in Macon new Committee members were assigned to replace those who had completed their term. The new men are:

Rev. David Hamilton  
Northside Presbyterian Church  
Burlington, N.C. 27215

Rev. Kennedy Smartt  
West End Presbyterian Church  
Hopewell, Virginia 23860

Mr. Kenneth Keyes  
Keyes Realty International, Inc.  
100 North Biscayne Blvd  
Miami, Florida 33132

Mr. H. Cliff Horton, Box 372  
Aliceville, Alabama 35442

Rev. William Stanway  
Reformed Theological Seminary  
5422 Clinton Blvd  
Jackson, MS 39209

Rev. G. Allen Fleece (alternate)  
Bethany Presbyterian Church  
614 S.E. 9th Street  
Fort Lauderdale, Florida 33316

The men continuing on the Committee are: Rev. Donald B. Patterson, Rev. Fred Fowler, Rev. James Baird, Dr. Roger DeHaven, Mr. Hugh Smith, Mr. Gerald Sovereign, Mr. Jay Wood. I know you will want to be much in prayer for all of these men.

We have had some new folks join our staff here in the Decatur office. Mrs. Harry Folwell (Joan) was a volunteer last spring but has come to assist us four days a week in the work of getting out your prayer letters, overseeing the mailing lists and other such important tasks. Miss Eleanor Tabb (Bebe) has become my secretary. Madge Rice and June Blankenship of course continue on at full-speed ahead. We have engaged a former missionary, Alan Bergstedt, to consult with us from time to time on accounting and managerial matters. He has now been engaged by our Administrative Committee to set up accounting procedures as well as audit all books for all four of the denomination's permanent Committees.

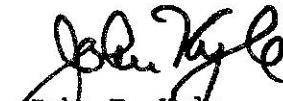

Oh, by the way, we are no longer the National Presbyterian Church as you will see in the enclosed Presbyterian Journal but now are the Presbyterian Church in America.

There are many things I would like to share with you but suffice it that you will be thrilled to know that at our Second General Assembly in Macon the great interest was zeroed in on overseas evangelism or world missions! Our church is truly a missionary-minded one for which we can praise God. This year will be a strategic one as we wade out into all the world by faith. Our Committee, David White, our office staff and I need your prayers.

I have been greatly encouraged by your willingness to send us prayer letters to be sent out to those who faithfully pray for you; and those are a multitude. We know that the Word promises that God answers the prayers of His children. We all know that God has answered so many of our prayers from experience. Your prayer partners are looking forward to your letters. Can I offer a word of encouragement to you from over ten years of seeking to send out prayer letters as a missionary? Remember that your prayer partners are generally busy Christians. Encourage them to read your letters by keeping them to one page in length if at all possible. I receive a multitude of prayer letters each month from all around the world. I am afraid that when they go beyond one page (no matter how interested I may be) I have a tendency to set them aside for "another time." I hope to be sending you some suggestions concerning prayer letters if I ever "get time." However, keep 'em coming!

May God bless you and encourage you. Do pray for Rev. David Hamilton and my trip to Brazil, Colombia, Ecuador, Peru, Costa Rica, Guatamala and Mexico from October 28-November 20.

Sincerely in Christ,

John E. Kyle
