

JULY
MISSIONARY PRAYER MAP
AND ENCOURAGEMENT CARD

INSTRUCTIONS:

- Choose a missionary your church supports.
- On the attached map, mark the continent where that missionary lives and write his/her name next to the continent.
- Find some facts about the country. For example: what language is spoken, what percentage of the population is Christian, what kids there like to do.
- Using an online translator (such as Google translate), find out how to say, “Jesus loves you” in the country’s language and write it under the prayer. For example: Jesus loves you in Hungarian is Jézus szeret téged.
- Next, pray for your missionary using the prayer (based on Matthew 28:19-20). Use this page throughout the month to pray for the missionary and all MTW missionaries around the world.
- If your church is able to share the missionary’s address, write them a note of encouragement and let them know you are praying for them. Print attached card. Fold into fourths to make a fold-over card with “Praying for you” in the front and the Bible verse on the inside.

Father, we thank You for being the God who seeks to gather people from every corner of the world. Thank You for inviting us to participate in Your kingdom work. We thank You for names of missionaries and the kingdom work they are doing in country/place. We pray that as they go forth and make disciples in Your name that You will guide them, equip them and encourage them as they teach those in place and share all that You have commanded us. Help them to hear that Jesus loves them. Amen.
